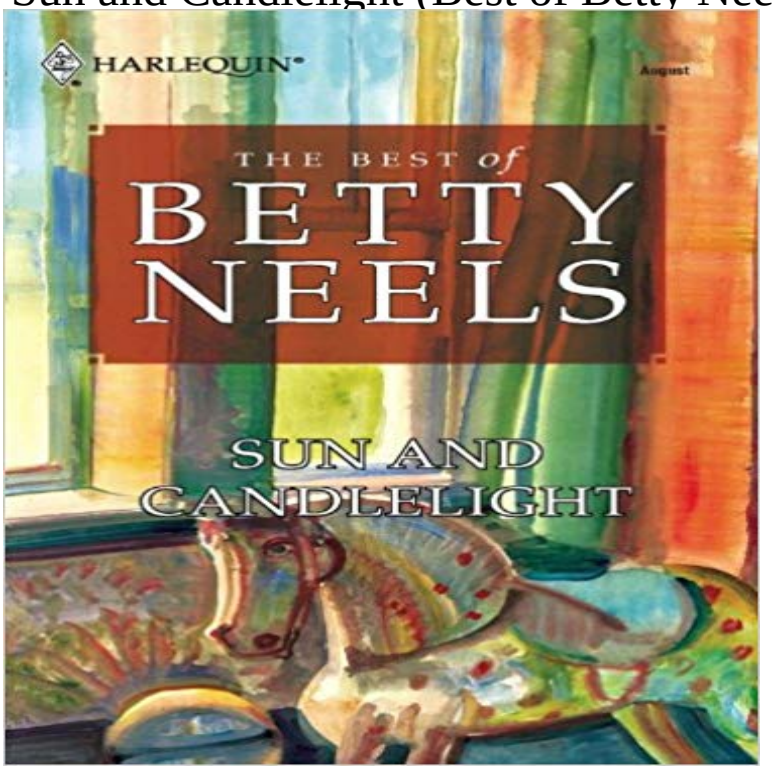
Sun and Candlelight (Best of Betty Neels)



MY CHILDREN NEED A MOTHER, BUT I DO NOT NEED A WIFE.Dr. Sarre van Diederijk did a lot to restore Aletheas damaged pride when Nick Penrose badly hurt and humiliated her. So a short time later, when he asked her to marry him and go to Holland to live, she accepted. After all, Sarre was a very nice, kind man, and Alethea might actually be happier with him than she would have been with Nick, even though love wasnt part of the deal. But once in Holland, Alethea discovered that happiness and love could blossom when you least expected it.
