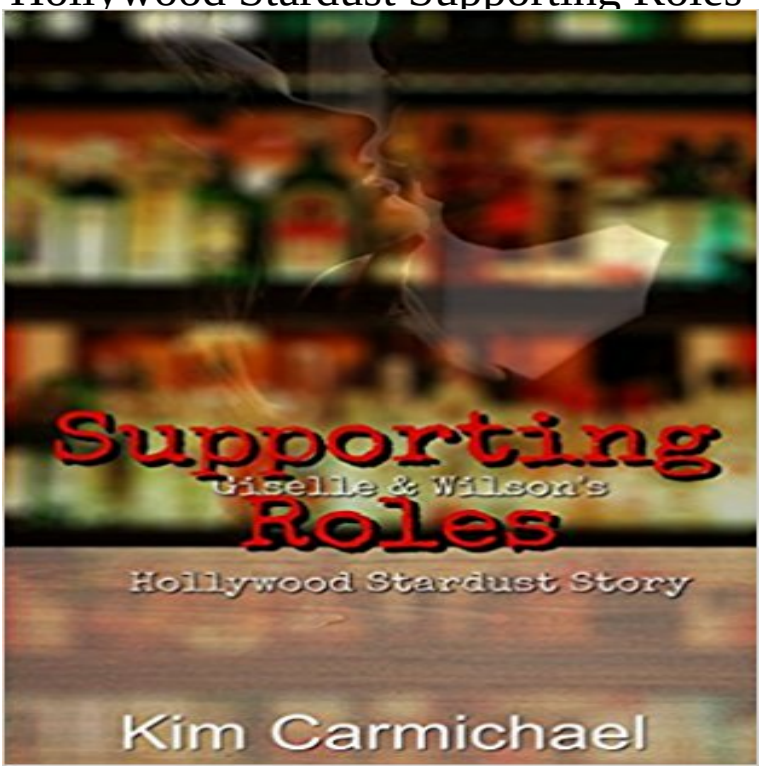
Hollywood Stardust Supporting Roles - Giselle & Wilson



Some girls only want to have fun. Giselle Abromowitz lives her life with two simple rules. 1. Have fun. 2. Defer to rule number one. She does what she wants when she wants, and when things get too complicated she moves on to happier, more casual pastures. As the older brother to Hollywood star, Logan Alexander, Wilson Alexander has played the role of pacifier, parent and protector. With the opening of his club it is his time to step in to the spotlight and make his own life. When Giselle stumbles into Wilsons regimented life and takes over, Wilson knows he found the missing piece of his life, now he only needs to convince his lady love that fun and love can coexist.
