Unexpectedly Mated (BBW Paranormal Shape Shifter Romance): An Alpha male. A curvy but sassy BBW. A trip to Sin City neither will ever forget. (Sassy Mates Book 3)

After years of lusting over Jake Wolfe, Nicole finally got a taste of the dirty-talking bad boy. During the scenting ceremony, he showed her how explosive things can be between them. But Nicole doesn't do love. She doesn't even know what love is. So how can she know if a relationship with Jake would be the right path to take? Jake Wolfe wants Nic more than his next breath. She's curvy, mouthy and so hot his blood boils just thinking of her. But Nic's been keeping him at a distance. And Jake is tired of her games. One fateful trip to Sin City and all bets are off. After a fun night of drinking, Nic wakes up married to Jake and with a second shifter wanting her for himself. She'll have to finally face the feelings she has or shut them out forever. Their newly formed bond will either allow her to open her heart to love or leave Jake without a mate to call his own. Warning: If you don't like sex of any kind, this is probably not the book for you. There's graphic language (yes, he tells her how he likes it), sassy humor (come on, it's a Milly Taiden story) and women that won't allow a man to browbeat them into doing what they say (unless they're naked). This book is intended for adults that have no problems with dirty sex, humor and action. If that's you, enjoy!
