

Once minutos / Eleven Minutes (Spanish Edition)

Una novela cautivadora y audaz del autor de El Alquimista, bestseller con más de un millón de ejemplares vendidos. En este nuevo relato, el novelista explora con gran sensibilidad la naturaleza sagrada del sexo y del amor y nos invita a enfrentar nuestros propios prejuicios y demonios. Once Minutos relata la historia de Maria, una joven proveniente de una villa brasileña, cuyos primeros roces inocentes con el amor le dejan con el corazón destrozado. A su tierna edad, se convence de que jamás hallara el amor verdadero; al contrario, considera que el amor es algo horrible que produce sufrimiento. Un encuentro casual en Rio la lleva a Ginebra, donde sueña con conseguir fama y fortuna. Sin embargo, termina trabajando de prostituta. En Ginebra, la opinión desesperanzada que Maria tiene del amor, se pone a prueba al conocer a un apuesto joven pintor. En esta odisea de descubrimiento personal, Maria debe elegir entre recorrer el camino de la oscuridad, el del sexo por el sexo mismo, o arriesgarlo todo para descubrir su propia luz interior y las posibilidades del sexo sagrado, es decir, del sexo dentro del contexto del amor.
