

Finding Lost

How could anyone be miserable in paradise? Carrie Samuels could write a book about it. Far away from her family and friends, she's fled to Isla Mujeres hoping to escape a relentless stalker who knew how to torment and leave no calling card. What started out as a short-term solution has turned into a long-term jail sentence on a tropical island. Painfully handsome, with a killer smile and well-hewn body, Dillon McMahon left his past behind and plans to spend the rest of his life off the grid on Isla Mujeres, the perfect place to dig in. Living next door to a sexy, quirky, and mysterious woman makes it all the sweeter. When Carrie and Dillon's pasts collide with the present, it threatens their budding relationship and sends them into a maelstrom of danger, abduction, and attempted murder. Sometimes, no matter how far you run, you just can't hide.
