

Black Ribbon Affair

Caitlin Donnelly's life is exactly how she wants it except for the threatening notes. Deciphering whos after her, and why, isn't easy when the suspects include all her co-workers, along with a man from her past. Caitlin isn't sure who she can trust and danger escalates at a pace equaling her attraction to Mike. Mike Rafferty's life is in a mess. When his personal life disintegrates, he grasps an opportunity: a challenging new job and relocation to a different state. Finally, he has something to look forward to. He discovers an unexpected benefit in his new co-worker, a woman who turned him down years ago. Mike welcomes this unexpected chance to pick up a relationship worth waiting for. When Caitlin is kidnapped, Mike struggles to save the woman he loves while she learns to trust in his love to keep her alive.
