

## The Alpha Hunt: Wolf Shapeshifter Menage Romance (Taking Two Book 3)

The annual alpha hunt is an evening where the young and willing volunteer as prey, to be claimed by an elite group of alphas, hungry for the chase and something. The annual alpha hunt. An evening where the young and willing volunteer themselves as prey, to be claimed by an elite group of alphas hungry for the chase and whoever they manage to catch. Desperate for money, Francesca signs up. She knows the hunt will be several hours of blissful pleasure and a little bit of pain, but nothing can prepare her for Richard and Luke. They're two alphas who've set their eyes on her and aren't used to sharing. She'll just have to teach them. Authors Note: This is a standalone short with no cliffhanger and a happy ending. If extremely hot and sweaty sex isn't your thing, you want to skip this one. But if you like your romance hot and heavy (and I do mean heavy) this one is for you.
