

## Undying Love for the Alpha, Part 2: (Shifter/Vampire Romance) (Vampire/Werewolf Romance - Silver Dawn Saga)

~Part 2 in the Undying Love Serial ~  
Katherines world is falling apart. Just when she thought she couldnt feel more pain, she loses Jericho - and the vampires of her past return, their cold claws drawing her back to Chicagos Undying Court. For the undead, history never dies, and her old sins are coming back to haunt her - and worse. Jericho has been taken in by the Silver Dawn wolves, who are intent on reforming him, on forcing him to forget his passion for Katherine, no matter what form it takes. Seduction, violence, kindness - all weapons are on the table, for the good of his very soul. Yet that soul is given to the vampire that saved his life - and now hell have a chance to return the favor. But at what cost? Dear readers, this is my darkest series thus far, and this episode contains an intense scene that may act as a trigger. The vampires in this world are truly evil, and their threats to abuse Katherine reflect that. Please read with caution, and email me if you have any concerns before diving in!
