rockers Jordon Valentine and Brittan McKenna. If you love sexy Rock Stars and are a sucker for a sad story then Tempt My Heart is your kind of book. Bloggers say they havent cried this hard since Taking Chances By Molly McAdams and crushed so hard on a rocker since Kellan Kyle! This standalone is a must read! Brittan McKenna and Jordon Valentine are going to rock your world. From: Three Chicks and Their Books I loved this book hard! I love that the author went back and did back story on Brittan and Canes relationship because it played a huge part in the story- and a massive part in Brittans recovery. DUAL POV! DUAL POV! I love it when there is another perspective, especially a guys- and for me, Jordon was the perfect rocker dude. Cocky, arrogant, but with a very sweet and caring side. Jordon Valentine guitarist for the rock band, Tempting Tomorrow- and one sexy rock god, is who Brittan bumps into at a kick off celebration for their tour- thats right, their tour, Jordons band is opening for Brittans band- fate! These two have some crazy sexual chemistry! These characters are real, honest, and up front with one another- which I love. Most novels are spent in pure angst the entire time and you want to shout COME ON ALREADY!!! But they actually communicate with each other and it makes it easier to see into this world Danielle has created. I cant wait for everyone I know to read it. More Reviews!!! OH MY GOD!
