

How They Did It: Real-World Advice from Today's Most Successful Entrepreneurs

Make your breakthrough with the secrets that fueled 10 of today's greatest entrepreneurial successes! The time is to act is now! The opportunities for wealth, success, and personal freedom are greater today than ever before. The only question that may be holding you back is: How? How do I launch that startup I've been dreaming about for years? How do I take my business, career, and income to a place of high respect and high reward? In *How They Did It*, bestselling author and serial entrepreneur Robert Jordan gets the answers, as he sits down one-on-one with 10 of today's most successful company founders from the American heartland - energetic entrepreneurs who built their businesses from virtually nothing to a collective \$18 billion in value. In their own words, these founders share their stories, setbacks, and ultimate triumphs, and reveal the key strategies, philosophies, and real-world solutions they've used to build their \$100+ million-dollar empires - groundbreaking ideas you can use starting today to advance your own career.
