

Park Avenue (Fifth Avenue)

STEPHEN KING on Christopher Smith: Put me down as an enthusiastic Christopher Smith fan. Smith is a cultural genius. Sometimes, even after death, revenge carries on. Targets remain targets. People will die. From the grave, one man will deliver the directive. Kill George Redman. Kill Leana Redman. Kill every Redman. Finish the job, crush them all, do it swiftly, rob them of their hopes, steal away their dreams. In Park Avenue, the sixth book in the hugely popular Fifth Avenue series, the heat boils over as characters from each book collide in a single collective nightmare. For the Redmans, the problem is that this one man, long since deceased, is not alone in his quest to see them dead. Others are conspiring against the Redmans, which leads to a punishing series of events as they fight for their lives. Park Avenue, which skewers New York society to its core with a cutting wit, is the most complicated and satisfying thriller yet by #1 international best-selling novelist, Christopher Smith. THE FIFTH AVENUE SERIES in order: Fifth Avenue Running of the Bulls From Manhattan with Love From Manhattan with Revenge A Rush to Violence Park Avenue
