

Janes Aircraft Recognition Guide Fourth Edition

Janes Aircraft Recognition Guide is the only guide that allows the general public access to information from the world-famous Janes All the Worlds Aircraft (first published in 1909), used by international aviation and military organizations and professionals. Jammed packed with up-to-the minute color photographs and technical data to reflect developments in the aviation industry. This edition now also includes a complete list of national registration numbers and a diagram to help you find your way around any aircraft. Integral to each entry is a confusion feature to help you distinguish between similar types of aircraft making this the most comprehensive guide for any aviation fan.
