

## Cat Playing Cupid

Love - and murder - are in the air. It took Joe Greys human, Clyde Damen, nearly forever to pop the question to his girlfriend, Ryan Flannery, and what more romantic time to tie the knot than on Valentines Day? But dark secrets from the past soon threaten to destroy everyones happiness. First, a body discovered many miles away reopens a 10-year-old cold case involving a man who disappeared days before his own wedding. Then another body is found closer to home, on the grounds of a ruined estate, deserted save for a band of unusual feral cats. Though the police investigate, only feline sleuth Joe Grey suspects that the crimes are related. And when he barely escapes alive from a deadly chase, Joe and his friends, Dulcie and Kit, know theyll need to use their powers of feline perception to bring justice to the small town of Molena Point - and save Valentines Day!
