

SCARRED - Part 2: (The SCARRED Series - Book 2) (Volume 2)

After a lifetime of pain... trust issues are only a slice of Chloes world. Taking a chance, she lets her guard down and begins trusting Derek Stark. Resisting him would be almost futile for any woman. Beyond being so incredibly gorgeous that he could elicit a wet dream with a look, hes also sweet, thoughtful, gentle and kind. He is everything that every other man in Chloes life was not. She wants to trust him, but can she? When she finds a picture in his bedroom, she is beyond shocked. She is staring at a picture of herself. Not Chloe Green...But the scarred Kelly Ward. She knew he was too good to be true...she knew he had secrets...but this is just too twisted for her to wrap her head around. When Chloe finds out who the woman is, her universe is spun upside down and opens up a world that she believes that she had been denied her entire life. A world that she has no idea if she can handle. Chloe has been preparing herself for the last 2 years for the confrontation with Jesse. Now he is being released early. Jesse was always her focus, but now...Her new life that she has built is about to come crashing down around her all over again.
