

Laid Bear 2: The Kodiak Clan: (A Werebear Shifter BBW Romance) (Volume 2)

Love can overcome anything...except maybe a pack of human-hating werebears. Curvy bear shifter Veronica Muir is ready for a new mate. Its been six long and lonely years since her husband was killed, leaving her to raise rambunctious twin cubs on her own. And wouldnt you know it, the first time she dips her toe into the dating world, she ends up falling head over heels in love...with a human. Marine biologist Jess Slade is still raw from his divorce when he spots Veronicas online profile. Unable to resist her luscious curves, he takes a second chance on love by moving to her hometown of Kodiak, Alaska. But the one thing he doesnt know about her might be the one thing he cant get past. When a group of human-hating werebears called The Brotherhood threaten to tear them apart -- quite literally -- Jess and Veronica, with a little help from Max and Bethany, must decide where their loyalties lie and if their love is worth fighting for.
