

## A Crush on Her Best Friends Brother, Part 3 (A Crush on Her Best Friends Brother Serials)

Warning: This story contains content which is intended for readers over the age of 18. Rachel made it through Christmas and was back at school without either family finding out about her relationship with Brad. It would be three months before she could see him again. She had no idea how she was going to wait that long. Brad continued to call and text her each day. They couldn't wait to see each other again. When something happened that would change her life forever, how did Rachel handle it? She knew that pushing Brad away was the right thing to do for everyone. It was time for her to think about the future and make sure that he followed his dreams. Rachel knew it wasn't going to go over well that she wasn't going home for spring break. After a long day of work, Rachel answered the door to an unexpected visitor. How did her best friend react when she found out Rachel's big secret? Could Rachel get to Brad before his sister ruined everything?
