

Rebellion: A Dangerous Man #2

Dont you want this Sophie? Dont you want me to touch you? To make love to you, over and over again? His lips make a trail from my neck to my shoulder. Isnt it enough? David Preston came into Sophies life and changed it in ways she could never have anticipated. Now the intensely sexy, exquisitely beautiful man is hers, or is he really? Sophie tries to settle into a life with David, but there are too many unanswered questions, too many things she doesnt know about him. Can she continue to live at the edge of his life, or can she demand the love she deserves from him? This is the second installment of Serena Greys A Dangerous Man Series. This is a contemporary romance and part of a quintet. Due to sexual situations, this book is not suitable for ages 18 and younger.
