

A Death in the Loch (Euphemia Martins Mysteries Book 6)

Book Six of the Euphemia Martin Mysteries During a Christmas party, Euphemia Martins together with Bertram Stapleford and manservant Rory McLeod is tasked by the slippery government agent Fitzroy with doing a little snooping at the Staplefords Highland Lodge. When Euphemia discovers the purposes of the charade for which she has been demoted back to a maid, she is furious. There are plans afoot plans which involve signing the Official Secrets Act Meanwhile, Rory still isnt speaking to her and Bertram is more interested in growing his awful new beard. The arrival at the Lodge of four mysterious Mr Smiths and some outrageous proposals for Scotlands future raises tensions to boiling point, and thats not even mentioning the German spy lurking in the woods, or the accident with some hot soup But when the inevitable dead body turns up, they must all work together or find themselves jailed for murder.
