

## A Deeper Shade of Bad

Amelia isn't ready to decide what to do with her life. She just graduated high school and summer was in full swing. Her grandmother's book store was her favorite place to be. When sexy businessman Nicholas Price comes to her grandmother's book store with an offer to buy the place Amelia's world changes. Nick seems like a great guy, but his brother Alex is even better. Alex leaves no question about what he wants. He wants a submissive and he offers Amelia the job. Complete obedience, it's a simple request. Amelia's caught between trying to figure out who she is, and trying to be the submissive Alex wants. Alex's callous attitude, cold demeanor, jealous rages, and explosive temper makes everything more complicated and even more interesting.
