

## Her Rock Hard Viking: A Paranormal Romance (Her Elemental Viking) (Volume 4)

ATTENTION READERS: This is a sexy SHORT novella. Bite sized for your reading pleasure. Rock hard was never so literal. Over a thousand years ago, a witch hexed a family of Viking warriors, each with one of the four elements. They live with these curses today, doomed to suffer for their past crimes forever. Carr, once a proud Viking warrior, is cursed to be the very island he once invaded. Hes lived a thousand years in complete isolation, but when a gorgeous woman parachutes into his life, everything changes. Will her sexual healing finally bring him release? Or will he be forced to choose between his last chance at humanity, and saving the woman he loves? Becca never thought to pack lingerie for this trip. Shes a botanist desperately hunting for a last-ditch miracle cure for her dying nephew. The clock is running out when she realizes the island is more than it seems. Whats a woman to do when she discovers her remote island is actually an extremely passionate Viking? Go with it. This steamy novella for mature readers features island romance, sexy waterfalls, and a love passionate enough to make the earth move. This STANDALONE novella is part of the Her Elemental Viking series which can be read in any order. There are no cliffhangers, and each short ends as it should: happily ever after.
