

A Fallow Heart

Ten years ago, an oil tycoon's daughter and a farmer's son shared a moment neither would ever forget. When she left town in disgrace, a piece of her stayed locked deep within his soul. And like the ground he tilled, his emotions lay fallow for years. Cooper Gerhardt's deeply buried feelings for Jo Ellen Rawlings grew more fertile over time, just waiting for the day she would return to release his deepest desires. When she strolls back into Tommy Creek, Texas for her ten-year class reunion, Cooper shows her farm boy style exactly what she missed by leaving. Starting a short-term affair is simply unavoidable. But when the week is over, can either of them let go of the responsibilities and apprehensions keeping them apart? Or will their fallow hearts learn to flourish together?
