

The Cowboy Wants a Baby (Mills & Boon M&B) (The Trueblood Dynasty, Book 1)

Isabella Trueblood made history reuniting people torn apart by war and an epidemic. Now, generations later, Lily and Dylan Garrett carry on her work with their agency, Finders Keepers. Circumstances may have changed, but the goal remains the same. Lost One grandson. Ailing Eve Bishop desperately wants to find her estranged grandson and heir before she dies. Lily Garrett is on the case. Found One ornery cowboy. Now all Lily has to do is find a way to hog-tie a lone wolf and get him back to Grandmas house. Gossip says that dangerously handsome Cole Bishop is going to pay someone to have his child, which gives this Little Red Riding Hood an idea.
