

## A Gift of the Darkest Magic

Would you be willing to betray the person you love in order to save their life? Clarissa's husband Matt is dying of cancer. They've tried everything that medicine has to offer, both traditional and experimental, and nothing's worked. Clarissa spends her days in the hospital, watching the man she loves slip closer and closer to certain death.

When her sister tells her she knows a way to save Matt, but it involves visiting a local club run by vampires, Clarissa is outraged that her sister would believe something so insane. But then she learns the truth. Braden, the sexy and mysterious vampire who runs the club, does indeed have the means to save Matt, but he demands a high payment in return. He doesn't want money, her blood, or even her life—he wants something she never expected. Clarissa has a choice: spend twenty-four hours in Braden's bed or let her husband die. But what she never foresaw was how much more the vampire would truly want after he'd given her the gift of the darkest magic. Content Warning: infidelity, light bondage, anal sex, and rough sex
