Little does she know, her quest will change the course of her and her three sisters' lives forever. A magical locket, a long-estranged aunt that shows up out of the blue, and a diabolical bad guy all play a part in pulling the girls into the heat of danger, and they are forced to put their newly-found paranormal skills to the test in a battle where losing could be deadly. Before it's all over, friends might turn out to be enemies, enemies might turn out to be friends and a long hidden secret about the girls' ancestry will come to light.
