

Hot Pursuit: A Hostile Operations Team Novel (Volume 1)

First Book in the Hostile Operations Team Series by New York Times Bestselling Author He took her innocence. He broke her heart. Hes the only one who can save her life...Ten years ago Army Captain Matt Girard did something he shouldnt. His best friend offered him her virginity--and he took it. Then he left town and hes never looked back. Until now. Matt still makes Evie Bakers heart pound, but she wants nothing to do with him--especially since hes only home for a short visit. Shes had enough of men who lie and promise things they dont deliver. But when her sister goes missing and her ex-boyfriend turns up dead, shes in desperate need of Matts military black ops skills to save the day. With time running out, Matt puts everything on the line--his career, his future, his heart. Even if it means sacrificing all hes worked for, he wont let Evie down this time. Because sometimes the reward is worth the price--especially when its the one woman hes never been able to forget...THE HOSTILE OPERATIONS TEAM SERIES: Book 1: Hot Pursuit (Matt & Evie) Book 2: Hot Mess (Sam & Georgie) Book 3: Hot Package (Billy & Olivia) Book 4: Dangerously Hot (Kev & Lucky) Book 5: Hot Shot (Jack & Gina) Book 6: Hot Rebel (Nick & Victoria) Book 7: Hot Ice (Garrett & Grace) Book 8: Hot & Bothered (Ryan & Emily) Book 9: Hot Protector (Chase & Sophie) Each book stands alone and can be read in any order. Reviews:...one of those must read black ops series that is as good as Maya Banks & Cindy Gerard! -- Just Plain Sassy Seriously is there a hotter series out there in this genre? Because if there is, I dont know about it. I have loved these books from book 1 and they are only
