

A Kiss for Colt (Kiss a Cowboy Series Book Two) (Volume 2)

Colt isn't going to know what hit him, Luke Brennan teased when Colt first met Carly. That was the understatement of the year. Sometimes a kiss is just a kiss... Colt Brennan is a sweet, shy cowboy who has spent his life working the family ranch in Montana. He's never given a thought to doing anything different until the vivacious Carly Stevens comes along and steals his heart. Everyone warned him that Carly gets bored with her men easily, but Colt doesn't believe it's true. Once their relationship goes beyond a few stolen kisses, he's sure that Carly is the woman for him. On Carly's invitation, Colt leaves everything behind to move to Seattle and live with her. But sometimes a kiss is just a kiss, and although he wants much more with Carly, he finds her slowly pulling away, leaving him confused. And then there's Beth. Colt feels an instant connection with Carly's roommate, Beth Owens, and is intrigued by her quiet kindness and inner strength. Beth is the one to bring a smile to his face and warm his heart when all his life plans go awry. As time goes by, Colt finds himself caught between the woman he thinks he loves, and the woman he feels a deep connection to. Who will be the woman who steals Colt away with just one kiss? (Content Warning: This novel does contain tastefully written sexual content.) What readers are saying about the Kiss a Cowboy Series: KISS A COWBOY was my first experience reading work by indie author Deanna Lynn Sletten, and Ms. Sletten's well-paced and touching story between a cowboy and a city girl thoroughly held my interest from the onset and has definitely won her a new fan. ~ Angie Just Read...The Romance Reviews I just love it when I know I have a new Deanna Lynn Sletten book to read! I absolutely adore her stories! Kiss a Cowboy was a wonderful escape from my hectic, crazy, busy life. ~ Susan Schleicher of The Book Bag I absolutely cannot wait

until the next book comes out! Luke, Randy, Colt, Ginny and Andi are all so addicting and you will find yourself loving each and every one of them. ~ A. Gehman
