

A Kiss of Blood (Vamp City)

One of the few humans who managed to escape the deadly twilight world of Vamp City, Quinn Lennox vows never to return. But the vampires want her back, for only she has the power to renew the magic of their crumbling world and free the vampires trapped within. When the dangerous and all-too-sexy Arturo Mazza comes for her, Quinn knows that she can never trust him after the betrayal she suffered at his hands. But with her beloved brother's fate hanging in the balance and her own power beginning to emerge, she chooses to risk it all on yet another perilous journey back to Vamp City. And though she tries to deny it, her heart begins to hold hope that even a ruthless vampire can learn the meaning of true love ...Contains mature themes.
