

## A Little Bit Broken [Book Three]

Jane Claremont is falling hard. Dr. Thomas Grayson has claimed her body, and now he's after her heart. It was supposed to be just a fling. A few days away to get this crazy sexual chemistry they have, out of their systems. But the closer she gets to him, the more he demands. And that scares the hell out of her. Jane can't risk sharing herself, without sharing the secrets of her past. That's just not something she's ready to do. Until, she finds out, Thomas has secrets of his own. A Little Bit Broken - Book 3 is about 40,000 words. It's the third book in the series, and picks up directly after the second book. The series is intended for readers 18+, due to steamy sexual scenes and adult language. NOTE: This book was originally published under the series title *Becoming Jane*, and under the author name Alexis Adare. I've since changed the series title, and my pen name from Alexis Adare to Olivia Devon. I apologize for any inconvenience.
