

A Match Made on Madison (The Matchmaker Chronicles Book 1)

Manhattan glitterati with a desire to find the perfect mate have a new champion in matchmaker Vanessa Carlson. With her fledgling business giving her biggest rival friend and mentor Althea Sevalas a run for the money, Vanessas services are definitely a hot commodity. To prove once and for all whos the best matchmaker in town, Vanessa and Althea enter into a competition to see who can score downtown playboy Mark Grayson as their client and send him walking down the aisle. Once a winner is crowned in this very public endeavor, there will be no question as to who rules Manhattans matrimonial mergers. But emotions often have a will of their own, and Vanessa learns that rules dont always apply. A Match Made on Madison is the first book in Dee Daviss re-released Manhattan Chronicles.
