[Siren Menage Everlasting: Erotic Menage a Trois Romance, M/F/M, HEA] Best friends, Roy Simpson and Aden Dempsy, agree to share in order to have the chance to be with Cynthia Hawthorn, but will she be able to accept both men in her life? Gatlinburg is a small town. How will loving two men affect her business and her friendships? With a stalker in the mix, Cynthia places her trust in the two men despite her fear of becoming too close to them. If she lets her guard down, she knows that she won't be able to say no to them. Despite her resolve not to become involved, Cynthia loses her heart to the two men, but after the stalker is caught, she wonders if Aden and Roy are no longer as interested in her. Roy and Aden want nothing more than to shower their sweet Cyn with love and affection. When a misunderstanding has her running away, they struggle to win their sweet Cyn back.
