

A Mom for Christmas (Mills & Boon M&B) (The Wilde Men, Book 3)

Ski patroller Aidan Wilde doesn't get too festive during the holiday season. Not since his wife, Charmaine, fell to her death off Whistler Mountain on Christmas Eve six years ago. Though the whole town had gossiped about his failure to save Charmaine, Aidan has been able to hide the horrifying circumstances of that day from his daughter, Emily. Until Charmaine's cousin, Nicola, returns home. While digging up the truth and finding some unexpected answers, Nicola works her way into Emily's heart and unexpectedly wins over Aidan, too. Might this single dad really be ready to let go of the past and give his daughter the one thing she really wants for Christmas—a mom?
