

## Necessary Detour

After a stalkers attack, rock star Goldy Crossland flees L.A. for her secluded lake house in Northern Washington. Retired from the music business, she hopes to avoid both the press and her psychotic fan. But obscurity leaves her restless, and when a mysterious--and disturbingly handsome--new neighbor moves in, she cant resist spying. Pete Bayer is undeniably attractive, but Goldy quickly realizes theres something strange going on in the log house across the bay. Is he a member of the paparazzi? Or a much more sinister threat? Despite her suspicions, Goldy cant deny her fascination with him. When the press discovers her hideout, its Pete who offers an escape route, but it comes with a price. Unwillingly drawn into his dangerous world, Goldy soon learns the reason behind Petes secrecy--and her crush on her charming neighbor takes a deadly turn.
