

A Perfect Husband: A Sami Saxton Novel (A Sami Saxton Series Book 1)

Wickards novel colorfully illuminates the two synchronized protagonists, each displaying profound characteristics. Sami has trouble adjusting to her new life and Smitty balances his secret life with his normal one, with a (living) wife and infant daughter at home. ~ Kirkus Reviews ~ Early praise for A Perfect Husband ?????? Up there with Jonathan Kellerman. Amazon Review Prepare to put your life on hold... Amazon Review An abandoned cabin...a diabolical killer...a hidden cemetery... a deadly secret is about to be uncovered. Far from the neon blur of Manhattan -- the dizzy buzz of restaurants, theater openings and one too many cocktails -- located seventy-two miles outside the City in the sleepy, rural township of Montague, New Jersey, Sami Saxton is looking to rebuild her life. A rebirth one might call it. And, she intends to do this spiritual resurrection in a small, abandoned fishing cabin, built over forty years ago by her deceased father. Not quite abandoned... Sequestered deep within forty-two acres of tall pine trees, bristling brooks and fresh water lakes, Sami Saxton is about to fight for her life. The hard truth...nobody will ever hear her scream!
