

A Rebel Love (Black Rebel Riders MC) (Volume 7)

This is Treads story and how he found A Rebel Love. Brotherhood, respect and loyalty Marc Tread Adams has those things. Nights of meaningless sex, he has those too. The one thing Tread doesnt have is love love doesnt exist in his life. He wants that ride or die love. Hes searching for that cant eat, cant sleep love. The parties, the girls, the empty bottles they have meant nothing to him. Maybe he is looking in the wrong places, seeing the wrong faces and traveling the wrong roads. Christa Buttercup Franklin fell in love with a boy who grew into a man she swore to hate. Nothing good would ever come from The Black Rebel Riders MC in her eyes. As far as she was concerned, everything they touched turned to shit. However, things change and so do people. What will Christa do when she has to depend on the kind of man she swore shed never love to save her life? Grady Truth Williams has always been content with the life he leads, but Truth has never been in love, until now. He craves someone he shouldnt harbor feelings for. Lines become blurred between brotherhood and desire, creating an internal war he isnt ready to fight. Amy Peaches Mathers is a club girl; so why should she feel she is any different from the rest. She has always been told, you get what you give, but she never intended to fall in love with a patched brother. Especially one who is in love with another. Amy has a choice to make she can run from her feelings or fight with everything she has to claim the man who has stolen her heart. The Black Rebel Riders MC Series continues to ride free or die trying. Are you ready to ride?
