

Love Burned Deep

Recommended for 18+ Mature Audiences
Sometimes the past stays in the past, and other times it can follow you forever. All Rachel wanted was to live a life of happiness and have her husband all to herself. Cody had a rough start as a troubled kid addicted to drugs, but with a lot of help and support, he turned himself around and became a top notch firefighter who was head over heels in love with Rachel. Not everyone was as lucky as Cody. Jealousy from a past love and fellow addict threatens to tear him and Rachel apart and send their happiness up in flames. Cody has no idea how to face this situation from his past and save his marriage. Love, trust, and the hope of one day having a family together keep Rachel from walking away from Cody and his past and never looking back. Will her faith in her man and their love be enough to overcome evil, or will they forever be burned?
