

## A World of Difference

Scottish shipowner Conal MacRae is the most exciting man that cosseted heiress Jenna Townley has ever met, and she is determined to marry him despite the disapproval of her overbearing father. Their courtship is fiery and their marriage passionate. But there are tragic and sinister undercurrents in their lives too: secrets from the past that threaten their happiness and even their safety. Is Jenna destined to repeat her mother's tragedy, or can she triumph over the past and keep both the Townley legacy and the man she was meant to love?
