

Throne for the Idol (Guardian Demon)

A Compulsion Reads-endorsed prequel to the Guardian Demon Series from the pen of the Rainbow Award-acclaimed author Ciaran Dwynevil Let the tale carry you to the Lindisfarena Monastery to witness a dark romance between Brother Rikard and High Demon Semiazas, the First of the Fallen. A chaste virgin and a devoted servant to Maker, Rikard leads a quiet life in the monastery until the days of his sexual awakening. Haunted by desires he cant name yet, he finds a release for his suppressed longing in music. The low, dark, tortured tones coaxed forth by his fingers fill Semiazas ears with an urgent, irresistible, red call. In different red than blood this call pulses, and Semiazas cant resist the strange allure of a misalliance with a mortal man. A single kiss, so unlike anything either of them has expected, sets events in turbulent motion. Rikards ultimate surrender to his dark idol is just a question of time. But there is only one punishment his order has for those who leave Makers path. Death. Will Semiazas save Rikard? Find out in this story that interweaves dark fantasy and romance that will make your heart beat faster.
