

Take a Chance on Me

My Fair Lady meets reality TV ...Any woman would be thrilled with a makeover and the chance to win a million dollars. Any woman but Kate Templar. Maybe its the chocolate covering her from head to toe or maybe its the cameras. But when handsome celebrity stylist Sam Brody tells her that shes been chosen to be on a new reality TV show, Kate does the unthinkable she says no. But the lure of so much money and the man offering it is too hard to resist, and soon shes signing on the dotted line. Known for his good luck and Midas-like touch, Sam Brody is tired of a career that was supposed to be temporary. Sam is determined that this will be the last show, but the only way to do that is to make Kate become something shes not. Except his pulse heats up whenever shes near and things become complicated when they kiss. But with cameras filming their every move, how can Sam convince Kate that their relationship is the real thing?
