

Sin City Hunter (A Susan Hunter Mystery Book 3)

Susan is in Las Vegas for ten days of work and play. Fun turns to terror when a magic act goes awry and she witnesses a murder. Susan knows who committed the crime, and unfortunately for her, the killer knows that she knows. Her actions in Sin City ultimately put not only her own life on the line but that of Micks as well. A strange man who is always watching, an evil boss, a bad-boy hockey player, and plenty of laughs make Sin City Hunter, with its surprise ending, a fast-paced and fun read - perfect for easy-breezy reading.
