

## Acceptable Sacrifice

In *Acceptable Sacrifice*, John Bunyan's words are delivered with compelling conviction as he passionately portrays the beauty of the only sacrifice that is acceptable to God. With carefully crafted words he describes the wonder and majesty of a heart broken before the Lord. The broken hearted are not forsaken or ignored, for they are His jewels, His beloved. Bunyan reminds readers that returning to their first love (the love of Christ) is always the best move in times of distress. *Acceptable Sacrifice*, which, outside of the Bible, is one of the best books ever written, will help Christians to regain that first love. Anyone who wants to follow God with all their heart, or to have a clearer understanding of how the grace of God not only saves us but enables us to follow Him even to the cross, should read this book, where Bunyan shows how Christ works in our lives and brings us to the full joy of knowing God (as opposed to simply knowing that He exists).
