

Accidentally in Love

Sometimes falling in love is just an accident. Whether it's realizing the guy who's been your best friend since high school is sexier than you ever dreamed, or finding yourself attracted to the nerd next door, the best love affairs aren't planned—they just happen. *Ill Be There For You* - They've been best friends since high school, but she's never noticed how sexy he is until now. Jeri Winston has always been there for Alexander Frost, her closest friend for years. Now Alexander wants to take their relationship to the next level. But when Connor Addison, the popular boy Jeri had a crush on a decade ago, returns to their hometown as a handsome, successful man, Alexander feels Jeri slipping away from him. Can he convince Jeri to take a chance on him instead of Connor? *The Nerd Prince* - Cade Ryan is an awkward, video game-playing nerd. But when he meets a beautiful, vivacious cellist, his lonely life is turned upside down. Can a single night of passion transform a nerd into a prince?
