During a masquerade ball, Nash hides from the ladies vying for his attention. He is discovered by Lord Thomas Downe, the Duke of Lynwood. Nash is horrified when Downe calmly tells him that he knows the secret Nash has hidden for years and sees through the mask Edwin presents to the rest of the world. And then he offers him an alternative.   A Timeless Dreams title: While reaction to same-sex relationships throughout time and across cultures has not always been positive, these stories celebrate M/M love in a manner that may address, minimize, or ignore historical stigma.
