

After All This Time (Time for Love Book 3)

Carrie Brooke fell in love with her employer, Charles Kantos, the first time she saw him, but she'd always been careful not to let it show. Now she'd ruined it all, and when she woke up in bed with him the morning after his best friend's wedding, Carrie knew there was only one thing to do: run. But Carrie was Kantos Holdings's best acquisitions specialist and Charles wasn't letting her quit.
