

After the Storm: Book 1 in the Storm Series (Volume 1)

Alexia Lexi Hanson moved across the country to rebuild her life after the attack that almost destroyed her. She enjoys the simple things in her beach cottage. Life is finally complete. Noah Matthews is Rock & Rolls hottest star and on top of the world. After years without a break he finds the solitude he craves at his beach house. Enjoying his early morning coffee, Noah is surprised to see his neighbor sneak into his garden and crawl around. They never saw that fateful morning coming. Someone was watching them. Someone who thought Lexi belonged to him and would stop at nothing to have her. Lives are changed forever when they meet amongst the blooms in his garden. Even when things seem darkest, there is always light After the Storm.
