

Twelve-Gauge Guardian

Ive hate enough for both of us! Maura MacDonald shuddered at her brothers words. The battle that raged between the MacDonalds and the Campbells had been going on for years and the vicious circle of destruction and revenge appeared to have no end. There seemed to be nothing that Maura could do to stop the bloodshed. She could only stay home and watch as her brave, but foolish kinsmen lost their lives beneath the Campbell sword...until the incredible night she met Niall, bloodthirsty leader of the enemy clan.
