

Her Steamy Viking: A Paranormal Romance (Her Elemental Viking Book 2)

ATTENTION READERS: This is a sexy SHORT novella. Bite sized for your reading pleasure. Scotland holds a sultry surprise for our sassy witch. Over a thousand years ago, a witch hexed a family of Viking warriors, each with one of the four elements. They live with these curses today, doomed to suffer for their past crimes forever. Bram is nearing madness, cursed to be an invisible water wraith for all eternity. He despairs of ever breaking free of his punishment. But when a gorgeous woman splashes into his world, Bram finally has a chance to make things right. Audrey is a modern-day witch exploring the grounds of her grandmothers secret Scottish cabin. When she feels drawn to the beautiful waters of a nearby loch, she discovers she is not alone. Will her magic be enough to free her aqueous lover? This sexy tale for mature readers features a spectral matchmaking grandmother, fun in the tub, and a bar owner with a magical touch. This STANDALONE novella is part of the Her Elemental Viking series which can be read in any order. There are no cliffhangers, and each short ends as it should: happily ever after.
