

Luna: The Complete Collection

Jocelyn Bates, local diner owner, spends her evenings out as Luna, a woman who only sleeps with a man once before saying goodbye. Spending a night with Tobias Giles-Blackburn throws her for a loop, however, and she gives up on going out as Luna for good. When she runs from him, Tobias isn't willing to let her get away that easy, and soon, their lives are intertwined in a way Jocelyn never could've imagined. When secrets, followed by more secrets, come to light, will Jocelyn accept that Tobias is her one and only...or will his deception be the end of them forever?
