

## All That Jazz (The Butler Cove Series Book 4)

There's something totally inconvenient about falling for your best friend's brother. Especially when he's a pompous, arrogant, albeit annoyingly sexy a-hole that you'd like to punch or kiss to death at any given moment. After a stupid favor that blurred the lines from friends to lovers the summer she turned eighteen, Jazz Frazer accidentally lost her heart to Joey Butler. For three years they've pretended there's nothing between them anymore. Jazz is finally ready to move on with the rest of her life. She's determined that experiences and relationships will be fun, casual and easy. After all, she learned the hard way that men just don't stick around anyway. But when her best friend gets herself into a relationship with a celebrity, Jazz has to do the one thing she never thought she'd do, call Joey and ask for help. Repeatedly thrown together, Jazz tries everything she can to protect her heart and not fall back in love with Joey. But when Joey finally admits that Jazz is the one he's always wanted, all bets are off. This is a spinoff of the Eversea Series, and while it can be read as a standalone, it may contain some spoilers.
