

## Almost to Die For: A Vampire Princess Novel (Vampire Princess of St. Paul)

Twilight meets The Princess Diaries in the new series from the author of Honeymoon of the Dead. On her sixteenth birthday, Anastasija Parker learns that her so-called deadbeat dad is actually a vampire king. And he wants Ana to assume her rightful position at his side, in spite of the fact that she has witch's blood running through her veins—from her mother's side. Too bad witches and vampires are mortal enemies. And now Ana's parents are at each other's throats over her future. It's up to Ana to make a choice, but deciding your eternal destiny is a pretty big deal for a girl who just wants to get through high school.
