

## Alpha Mate - The Claiming: BBW Wolf Shifter Romance

Jacob never thought he'd find his mate, and he certainly hadn't expected to find her in Whole Foods. Of course he had to be among the point zero one percent of werewolves who happened to mate with a human woman. At least he lucked out and she was just his type, a thick bodied, curvy human woman. In the good old days, he would have simply dragged her home and made her his. However, it's not the good old days, and Jacob must convince Eva that he's sincere, a wolf, and she belongs to him. Oh how he wished it were the good old days. Part two Alpha Mate: Claim Me. To stay up to date on new releases, join the mailing list for Olivia Hawthorne at <http://eepurl.com/bfbvp9>
